

Company Profile

Profile

Welcome to Two Oceans Marine Manufacturing, where superior marine craftsmanship is not just a promise but a legacy. Founded in 1989 in the dynamic city of Cape Town, South Africa, we have earned a distinguished reputation as a global leader in marine manufacturing.

Our expertise encompasses the design and construction of custom and semi-custom power and sailing catamarans, powerboats, and offshore rescue craft, ranging from 27 to 150 feet. Located within the Cape Town Harbour, our extensive 18,000-square-meter covered factory, distributed across four facilities, reflects our steadfast commitment to excellence.

As one of the world's foremost manufacturers of large custom power and sailing catamarans, we take great pride in offering a wide range of vessels. Our portfolio includes luxurious powerboats, bespoke cruising and high-performance sailing yachts, day charter boats, sport fishing vessels, commercial catamarans, and offshore rescue craft, each meticulously crafted to meet diverse maritime needs.

With over 35 years of unparalleled experience in boat building, the skilled team at Two Oceans Marine Manufacturing brings a wealth of knowledge and expertise to every project. Our production process is streamlined, with the launch and sea-trialling of completed vessels conducted close to the factory, ensuring efficiency in both time and cost.

We collaborate with internationally renowned naval architects to design vessels that are not only visually striking but also prioritize comfort and ergonomic functionality. Engineered to navigate the world's most challenging waters, our vessels feature customisable layouts and interiors, tailored to reflect the unique visions and requirements of our clients. By integrating the latest in vessel systems, Two Oceans Marine Manufacturing epitomises excellence in marine manufacturing.

**Two Oceans Marine Manufacturing
- A District Difference**

An extensive legacy of innovation and excellence

At Two Oceans Marine Manufacturing, we take immense pride in the diverse and expertly crafted vessels we've produced over the years. Our range of catamarans and powerboats is a testament to our dedication to quality, innovation, and customer satisfaction.

Our portfolio over the years includes a wide variety of custom and semi-custom vessels.

These include custom and semi-custom power and sailing catamarans, sailing and power charter catamarans, sport fishing and commercial catamarans, offshore rescue craft and performance power boats.

Our commitment to craftsmanship and attention to detail has earned us a reputation as one of the world's premier custom catamaran and powerboat manufacturers. Whether it's a bespoke luxury yacht or a specialised commercial vessel, we work closely with our clients to bring their visions to life.

Two Oceans Marine Manufacturing has a proud history of producing an extensive range of expertly crafted vessels.

Our current builds, each supported by a dedicated manufacturing facility, include the Two Oceans 870 Power Catamaran, the ECLIPSE 505 Express Cruiser, the ECLIPSE 605 Express Cruiser, the Two Oceans 555 Power Catamaran, and the NSRI Offshore Rescue Craft.

These vessels represent the pinnacle of our commitment to quality, innovation, and the fulfillment of our clients' bespoke visions.

A closer look at our range

Power boats

The ECLIPSE 505 and ECLIPSE 605 Express Cruisers from Two Oceans Marine Manufacturing represent the pinnacle of luxury, performance, and innovation in power boating. These vessels are designed with an emphasis on speed, seakeeping, and comfort, making them perfect for both leisurely cruises and adventurous voyages. With meticulously crafted interiors, spacious entertaining areas, and advanced engineering, the ECLIPSE Express Cruisers deliver an unparalleled on-water experience, setting new standards in the industry. Whether you're exploring coastal waters or enjoying a weekend getaway, these powerboats provide the ultimate blend of style, power, and sophistication.

Luxury power catamarans

Luxury customised power catamarans are the vessel of choice for exploring bays and islands or chasing perfect fishing, diving, kite surfing or surfing spots without needing wind and without the effort of having to put up sails.

They are robust yet luxurious, comfortable and functional for living aboard.

The Power Catamaran Range from Two Oceans Marine Manufacturing has been globally successful and includes the full custom Two Oceans 750, 800 and 850 Luxury Power Catamarans. Currently buids are the full custom Two Oceans 870 Power Catanaran and the semi-custom Two Oceans 555 Power Catamaran.

Custom luxury sailing catamarans

Two Oceans Marine Manufacturing is a leading manufacturer of custom-designed luxury sailing catamarans. Built to cruise the world and tailored to the owners' specific needs, these vessels offer flawless craftsmanship and exceptional attention to detail. Combining the thrill of sailing with cutting-edge design and performance, our catamarans provide unparalleled on-the-water comfort.

Performance sailing catamarans

As one of the few large custom catamaran manufacturers worldwide, Two Oceans Marine Manufacturing is renowned for producing safe, seaworthy, and robust performance sailing catamarans.

These vessels offer a unique blend of comfort and speed, built with e-glass and carbon fibre reinforcement, or full carbon fibre, depending on the owner's preferences. Notable launches include the Two Oceans 60 and 82 Full Carbon High Performance Sailing Catamarans.

Day charter catamarans

Our Day Charter Catamarans range, including both sailing and power vessels, is customised for luxurious and comfortable day charters and onboard functions.

Recent launches include the Two Oceans 690 and 700 Sailing Catamarans and the Two Oceans 110 Day Charter Catamaran - the largest composite catamaran ever built in South Africa.

This remarkable vessel can host up to 275 people, making it ideal for large events and functions.

Semi-custom Sailing Catamarans

In partnership with Balance Catamarans, we manufacture the Balance Catamarans Cape Town range, including the Balance 442, 482, and 750. These semi-custom performance cruising catamarans are built using the same expert techniques as our larger custom vessels, ensuring exceptional quality and performance

Sport fishing, leisure and commercial catamarans

Pioneering the introduction of power catamarans in South Africa, Two Oceans Marine Manufacturing's Magnum Power Catamaran Range is a favorite among the local tuna fishing fleet.

These catamarans are stable, robust, and comfortable, designed to withstand Cape Town's rough seas while being highly customizable for both leisure and commercial use.

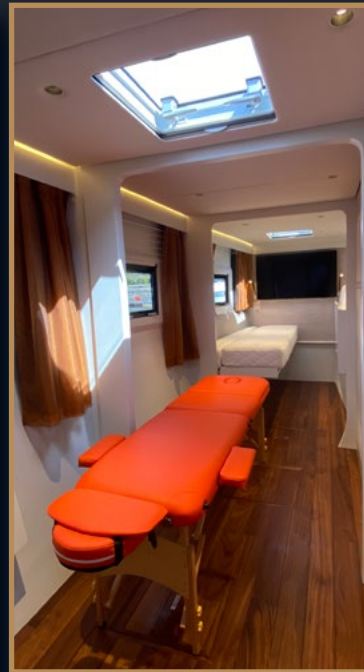

Offshore rescue craft

Two Oceans Marine Manufacturing was selected to build South Africa's National Sea Rescue Institute's new fleet of Class 1 Offshore Rescue Craft (ORCs). Leveraging our expertise in building catamarans capable of withstanding South Africa's rough seas, we've successfully transferred these skills to create world-class rescue craft.

Unsurpassed interiors

At Two Oceans Marine Manufacturing, we collaborate with world-class naval architects and interior design specialists to create interiors that are not only comfortable and ergonomically advanced but also tailored to each customer's unique vision. Our custom catamarans feature elegantly designed, easy-flowing spaces that seamlessly integrate modern appliances, offering all the comforts of home on the water. Every detail is crafted to reflect your personal taste and requirements, ensuring that your vessel is as luxurious as it is functional—a true masterpiece of comfort and style for life at sea.

State-of-the-art systems

Two Oceans Marine Manufacturing ensures that every vessel we launch has world-class vessel systems.

We have a team of in-house Electrical and Mechanical Systems specialists who make it their mission to constantly innovate and be best in class.
